	SYMPOSIUM SCHEDULE	
8:00-8:30	Hallway outside Moore 153	**Registration / HALT membership renewal / Breakfast** *** Please - no food or drinks permitted in the computer lab rooms! ***
8:30-9:00	Moore 153A PC Lab	**Welcome & introduction & announcements** *Satoru Shinagawa [President], Nancy Wysard [Fall Symposium Chair], Imelda Gasmen [Spring Conference Chair], Jim Yoshioka [Summer Summit Chair], Spencer Reemelin & Matt Hawkins [Excellence in Teaching Award co-chairs], Lynette Fujimori [SWCOLT representative] & Language Reps*
9:00-10:00 SESSION I: Choose one of three sessions	Diamond Head Lab Moore 153A	**Session A**: *PaUsE! ThAt ViDeO!!* Have you ever shown a video and hope that the students learn? But they miss information? Engage your students and provide a deep learning opportunity. Learn how to customize a video to fit your lesson by taking an already-made video (like a YouTube clip), customize it by cropping, recording audio, and adding questions to engage the audience with interactive lessons, and track student understanding. **Nancy Wysard** *(Mid-Pacific Institute)*
	Ewa Lab Moore 153B	**Session B**: *Get on the Grid!* Need a simple, user-friendly, intuitive and cool tech tool to engage students to talk and share anytime and anywhere? Let's explore Flipgrid! This workshop will demonstrate how educators can create grids with any topic and how students can easily join conversations with videos via webcam, tablet, or any mobile device. With a social-media-feel, the new Flipgrid Android and iOS apps are modeled on student's familiarity with the apps they already use. **Imelda Gasmen** *(University of Hawaiʻi at Mānoa)*
	Project Dev Lab Moore 155B	**Session C**: *Video Upload on the Go* This workshop will show how to upload a video from iPhone, iPad, Android, etc., to Google Drive, and share it with the whole class, friends, etc. In the workshop, steps of how to upload the video file, and sharing will be introduced. Participants will be matched so that you can have the hands-on experience of sharing the video. Please bring your iPhone, iPad, Android, or laptop for this session. Please download "Google Drive App" before coming to the session at https://www.google.com/drive/download/. **Satoru Shinagawa** *(Kapiʻolani Community College)*
10:00-10:30	**B R E A K**	Don't forget to check out our **Teachers' Swap Meet** **(open 8:00-12:30) in Moore 155A** - gently used items for your language classroom. $5 or less!
