Promoting Language Education in Hawai'i

“HALT is THE organization to belong to if you teach a language anywhere in Hawai‘i. Its role is to be a close-knit collaborative community with a powerful voice to make a difference in each one of us as well as in the Islands and beyond.” – Lyanne Terada, NBCT & HALT Lifetime Member

“I LOVED all of the resources introduced to us today. I can immediately see how they would be useful in my classroom. I can see how I can begin using them on Monday!” - Fall Symposium attendee

“Being new in the environment, it was a great opportunity to meet with other languages teachers.” - Fall Symposium attendee

“It was a day well spent in professional development! All of the workshop sessions that I attended were relevant and useful to me.” - Spring Conference attendee

“The energy was high and the teachers were so open to learning new things! It was a very inspiring atmosphere, especially with such a powerful keynote speaker to set the tone for the day.” - Spring Conference attendee

- **PROFESSIONAL DEVELOPMENT FOR LANGUAGE TEACHERS IN HAWAI‘I**

Membership rates:

Annual dues are collected for each calendar year (January-December)
(not prorated if joining mid-year)

- Professional rate – \$25
- Student rate – \$5
- Lifetime membership – \$125

Great investment! For those who are unfamiliar with professional organization costs, this is in contrast to \$45 for CLTA (California Language Teachers Association) and \$50 for CCFLT (Colorado Congress of Foreign Language Teachers). Other states with similar annual membership rates do NOT include free fall conference/symposium registrations.

We work with schools! Do you need to pay for membership for a number of your school's teachers? We gladly accept purchase orders and checks for payment. Use our convenient online forms.
